Refreshments will be served. You can purchase your tickets from one of their members today. Limited seating available, so purchasing early is strongly encouraged.

Need An Easier Way To Give?

Great News!
We now offer multiple ways to give. You can continue giving in person, and now give online by visiting our website, or by scanning this barcode with the camera on your phone.

Summer is here, and families have started taking summer trips. The kids are excited about going to see family and sightseeing in a place they've dreamed of going to for a long time. It will be an awesome summer with family and friends.

Here in South Texas the weather is getting hotter, and the winds are blowing. we have just celebrated Pentecost Sunday, and what a great service it was as we worshipped the Lord on that Sunday morning. We are believing God will send that wind, power, and anointing of his spirit in the lives of his people as we continue to look ahead to his return. I say this often, but what an exciting time it is to be living for the Lord is truly coming very, very soon.

As a song writer said, "What a day of rejoicing that will be".

Let's be careful that we do not get so busy that we forget to be faithful to the Lord in Time, Talent, and Tithing this summer. Enjoy the sweet blessings of the Lord.
