GOD OUR CREATOR SERVICE

Our BLAST Kids are gearing up for their worship service entitled, "God Our Creator". What an awesome time we will have in the Lord celebrating the goodness of God. We invite you and your families to join us as we come together to support our kiddos and help them lift up the name of Jesus. This time of worship will take place Sunday, July 16th at 5:00PM. If you'd like to know more about the service, or how your kids can participate in this service, please see Lady Joni or one of BLAST Kids Team Leaders. Thank you!

Need An Easier Way To Give?

Great News!
We now offer multiple ways to give. You can continue giving in person, and now give online by visiting our website, or by scanning this barcode with the camera on your phone.

This is the month that once again we pause and celebrate our freedom as a nation and the Independence and Liberty that we now enjoy. Many will travel and barbeque and share laughs and conversation with their families.

All of the blessings we enjoy as Christians could not have taken place without Jesus, the one who bled and died for our sins. When one stops to consider the message of the Cross of freedom from sin, and when one hears the cry of "It Is Finished" echoing through the ages, the Cross is a monument of beauty!

Words like "Father Forgive Them, they know not what they do", speaks of the unconditional love of Christ even though he was despised and rejected by those He loved. We trust that you will take time this month to not only appreciate and pray for this great nation, but that you will also draw nearer to Christ than ever before as we bring Him honor and praises.

Galatians 6:14 "May I never boast except in the cross of our Lord Jesus Christ, through which the world has been crucified to me, and I to the world." Let us be eager, as we look forward to our Savior's return, and remain steadfast in the things of God.
